PRESIDENT'S MESSAGE

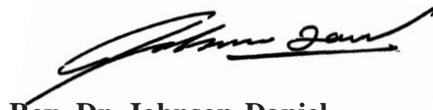

The New Life Biblical Seminary, as you see through the pages of this prospectus, is the outcome of God's faithfulness to our parents. It was founded in 1993 as an offshoot of the vision and burden of me and my wife for the land of India. As a fulfillment of the Great divine Commission, God in His abundant mercy has enabled us to launch this institution for the purpose of training young ones who have a definite call for the Lord's work and an aspiration to study the Word of God. The major thrust of our mission comes from the Biblical vision of theological learning as it is found in II Tim. 2:15. It says: "Do your best to present yourself to God as one approved by Him, a worker who has no need to be ashamed, rightly explaining the word of truth" (NRSV). It is, thus, *A Mission with a Vision* which is precisely what we hold on as our motto.

We provide a family atmosphere conducive for learning, in which dialogue, discussion, interaction, devotion and disciplining play important roles. Our college is blessed with a beautiful campus and a group of well-trained, dedicated, anointed and experienced faculty. Moreover, our studies are mission oriented, Christo-centric, charismatic, and society-bound. We are also part of the wider spectrum of ministries

carried out under the auspices of Bersheba International New Life Ministries, Houston which holds a variety of services encompassing spiritual, social, economic and educational realms transcending every barrier of caste, creed and color. We have 1,400 fulltime ministers serving the Lord in different capacities in various parts of the world.

Our seminary is open to everyone who has a genuine commitment and dedication for Christian ministry. As an inter-denominational institution, we welcome students from all over India and abroad irrespective of the denominational and ecclesiastical confessions. It is our earnest prayer that the Almighty may continue to bestow His grace upon us as we seek to impart God's Word with wisdom, power and simplicity for the future generation.

Yours in Christ,

PRINCIPAL'S MESSAGE

The New Life Biblical Seminary is a premiere theological institution in India standing both for spiritual and academic excellence for an effective mission. It is a post-graduate theological academy working under ATA and serving as a catalyst for the holistic Christian mission in India for more than two decades. We are always longing and working for the enhancement of vision and mission of every one to fulfil the Great Commission as envisaged in our motto: 'Mission with a Vision'.

The theological education is the integral prerequisite of the Christian mission. The two prime pragmatic venues of every theological instruction are the Church and Society: micro and macro arenas. The recipients of the theological instruction must be equipped thoroughly to address and respond the manifold challenges more meaningfully and relevantly for missionize and theologize in our given context. In fact, the qualitative and quantitative theological education is the vital need of the hour.

All the theological training institutions/systems trace back to the very prototype of the academy of Jesus: one Master with the 12 disciples/apostles. The very nature and function of

every theological institution can be summed up in two progressions: centrifugal and centripetal process. The students from different parts of the nation are coming to the theological academy and going back to the nation as disciples. The central process behind this disciple-making endeavour within the seminaries can be further portrayed alphanumerically into three processes: information, formation and transformation. The last segment of this cluster distinguishes theological instruction from the secular education.

The Christian mission is not simply an endeavour of propagation of faith and conversion of souls but it portends the holistic mission targeted with the body, soul and spirit of entire humanity. The Nazareth Manifesto (Lk. 4:18-19) and the Great Commission (Matt.28:18-20) are depicting the scopes of Christian mission. In fact, one needs an integral theological training as well as great vision to incarnate this in our given context. The New Life Biblical Seminary has been striving as a fulcrum to make the meaning to its theory and praxis for the last 24 years and further would like to pursue so until His second coming! Hence, we are anticipating for the advent of committed and dedicated persons to commence or continue their sound theological journey.

In His Service,

Rev. Dr. Rajeevan M. Thomas

Principal, NLBS

ADMINISTRATOR'S MESSAGE

New Life Biblical Seminary, ever since its inception, stands for imparting the knowledge of the word God and training young people for ministerial vocation. The seminary is the progeny of the long-cherished dream of Late Pastor C. K. Daniel, one of the pioneers of Pentecostal Movement in the southern part of Kerala and the former president of Indian Pentecostal Church of God in India. As a renowned Bible teacher and preacher, it was his unquenching thirst to establish a theological institution in the southernmost part of Kerala.

His vision was realized in 1993 when his younger son Rev. Johnson Daniel and his family decided to establish a theological institution by the name 'New Life Bible Centre' at Cheruvakkal, Kollam. The beginning was so small with just 16 students and 5 faculty. However, as days passed by, the Lord has blessed this humble venture and expanded its horizon to be a recognized seminary in 2001. Today the seminary has the strength of more than 140 students and 40 staff. We offer different theological and ministry oriented courses both in English and Malayalam.

We are committed to impart the knowledge of God's Word with its depth and power to the coming generations. We have a well-balanced program that avails adequate exposure to the church as well as society. We are proud of our graduates who are ministering in different capacities all over India and abroad. We earnestly look forward to train young people for the great task that our Master has entrusted us.

Yours in Christ,

A BRIEF HISTORY OF THE NEW LIFE BIBLICAL SEMINARY

Pastor C. K. Daniel & Mrs. Saramma Daniel

New Life Biblical Seminary is the theological wing of the Beersheba International New Life Ministries (BINLM) founded in 1987 in Houston, USA. In 1993 INLM felt the need for a theological institute to train young people for ministry in the Indian sub-continent, and thus established the New Life Biblical Seminary (then known as New Life Bible Centre). The seminary was the long cherished dream of Late Pastor C. K. Daniel, one of the pioneers of Pentecostal Movement in the southernmost part of Kerala and the former president of Indian Pentecostal Church of God in India.

His vision was realized through the effort of Rev. Dr. Johnson Daniel (s/o Pastor C. K. Daniel) and family. The foundation stone for the Centre was laid by Pastor. E. C. George and the inauguration of the Seminary was held on the 13th of March, 1993. The center was first known as New Life Bible Centre. The first batch of the center began on the 25th of April, 1993 with only 16 students and 5 teachers. Initially, we had just Diploma in Theology (Dip.Th) Course. The second batch began in March 1994 and the first graduation service was held in December 1994. In 1995 New Life Bible Centre was accredited by the I. P. C. Council. New Life Bible Centre was upgraded to be New Life Biblical Seminary in 2001.

Resolved to give qualitative education and accredited degrees, the NLBS embarked on an affiliation with the well-known accrediting agency, the Asia Theological Association (ATA). In 1998 our B. Th. Program was accredited by ATA. The M.Div. program started in 2002 was accredited by ATA in 2003. In 2005 we started our M. Div. Distance Education program and this was accredited by ATA in the next year. We scaled a new peak with the inception of the M.Th program in 2008 and it was accredited by ATA in the subsequent year. Our first batch of M.Th passed out of this seminary in 2009.

During these years the seminary undertook quite a number of major construction projects such as library building, auditorium, dormitory, faculty quarters and so on. By the grace of God these projects were completed in due time with the assistance of our prayer partners and well-wishers.

Periodic increase in the number of Faculty and staff has been the major feature of the seminary. Similarly, the library development has been the major impetus in the overall expansion of the seminary. Over the years students from elsewhere in India and abroad having different cultural and linguistic backgrounds have studied in the seminary. Till now over 1400 of our graduates serve the Lord and humanity around the globe. Today the seminary has the strength of more than 140 students and 40 staff. The NLBS also runs two more training centers in UAE and Chandigarh to cater the need of native missionaries.

Puthujeevan (New Life) the official college year book has been published in 1994. It gives a glimpse of the work and ministry of NLBS over the years.

Year 2011 witnessed an epoch in the annals of NLBS when it began a theological journal, viz, *New Life Theological Journal*. It is a platform to interact and interpret issues facing the world from a Christian ethical-theological perspective. Today the seminary stands on the cross road of a new era and greater heights.

Over the years BINLM, the parent body of NLBS, has been involved in various philanthropic and social activities including educational help to needy students, mass marriages of girls from economically poor background and financial aid for the construction of shelters to the needy.

Theological Journey of NLBS is Crossing the Jubilant Borders of Silver Jubilee with the Motto of ‘Mission with a Vision’.

New Life Biblical Seminary is Celebrating its 25th year of God’s Faithfulness (1993-2017)

PHILOSOPHY AND PURPOSE

New Life Biblical Seminary has both graduate and post graduate courses with Pentecostal persuasion. At the same it recognizes the different denominations and confessions of the Christian Church.

NLBS community recognizes that everyone is elected to participate in God’s mission as the Bible acknowledges (Psalms 108:3; Romans 1:14-16). Therefore, the focus of our conviction is stated in a short dictum: Mission with a Vision.

NLBS envisions the mission of the Church both inside and outside with a holistic outlook. This mission is seen in a multi-dimensional way which recognizes the importance of the four-fold functions of the church such as: fellowship, teaching, witnessing and serving. These are incorporated in the statement: Mission with a Vision. The curriculum of NLBS reflects this vision and thus molds men and women in the life pattern of Christ.

Aims and Objectives

- **Systematic theological education with ecclesiastical and societal dimension.**
- **Proposes to train students with a holistic vision.**
- **Intends to train Christ-like Servant-Leaders.**
- **Aims to sharpen the skills in theological deliberation and to be a catalyst in the wider mission of the church for a transformed society.**
- **A well-balanced spiritual nurturing.**
- **Qualitative academic excellence.**
- **Well-disciplined life and ministerial formation.**
- **Facilitating the students for Christian service.**
- **Enabling the students to stand for the truth of the gospel.**
- **Equipping the students with practical training.**
- **Empowering the students to serve the nation as responsible citizens.**
- **Promoting a spirit that is ethically and socially sensitive and ecologically responsible.**

Accreditation

NLBS is an ATA (Asia Theological Association) accredited theological institution. ATA is one of the leading theological accrediting agencies in Asia. It is the direct outcome of the South Pacific Congress on Evangelism held in Singapore in 1968. It was established in 1970. It is composed of theological educational institutions and is committed to evangelical faith and scholarship, which are networking together. It proposes to serve the Church in equipping the people of God for the mission of the Lord Jesus Christ. It strives toward the development of evangelical biblical theology by strengthening interaction, enhancing scholarship, promoting academic excellence, fostering spiritual and ministerial formation, and mobilizing resources to fulfill God's global mission within diverse Asian cultures. GENERAL INFORMATION

I. Campus Life

Life in NLBS Campus holds high significance as it counts so much to the ministerial and character formation of the students. A student is expected to make every attempt to live in harmony with one another and to maintain a healthy interpersonal relationship. Living together as a community and striving together for a common goal is our ultimate priority. Cultural meets and social evenings facilitate in fostering love and harmony in the community life of the campus. Cleanliness and hygiene are vital for NLBS community. The construction of the buildings in rectangular shape provides a beautiful space right at the centre of the campus where everyone can come together to have fun and fellowship. Students are provided with basic facilities such as dormitory, mess, sports and recreational resources. The trees with its branches hovering over the ground and seating facilities around it provide a wonderful place to cultivate the fellowship and interpersonal relationship. Life in the campus could easily be understood in four important levels.

1. Spiritual Life

There are bounteous opportunities provided to the students to maintain a well-balanced spiritual life. The spiritual life of a student is nurtured in seven phases: morning and evening devotions, main chapels, spiritual emphasis days, chain prayers, fasting prayers, whole-night prayers and church exposures. On Sunday mornings most of the students will be assigned to different local congregations and the rest meet at the chapel for service. The spiritual activities are designed to set in a well-disciplined spiritual fabric for the student.

The common devotion times are compulsorily maintained in the morning and in the evening. The day starts with the morning devotion from 5:30 to 6:00 AM. All the students come to the chapel and spend time for prayer and personal meditation. The devotions are held separately for both English and Malayalam medium students. The students themselves prepare a thought for the day, which becomes the impetus to live through the day. Apart from the common devotions the students are encouraged for personal piety. Wednesday evenings are set apart for praise and worship and song practice. The campus provides the students magnificent atmosphere to maintain the same.

The student body is divided into different Tutorial Groups under faculty members to nurture them in every aspect of their lives. The Tutorial Groups facilitate the students for a holistic spiritual formation which includes personal, inter-personal, academic, and practical aspects of life.

2. Academic Life

The academic schedule is strictly maintained with utmost importance in our campus. Class room exercise is the primary mode of teaching. It is mandatory for the students to ensure adequate class attendance to be qualified for writing the exam. We have well-maintained class rooms. Four hours of classes are scheduled for each day. The classes start at 8:30 AM and goes up to 1:30 PM.

a) Study Time

Students have to strictly observe the study hours in the campus. The usual study hours are in the morning and in the evening. The morning timing is from 6:30 AM to 7:20 AM and the evening is from 8:00 PM to 10:30 PM. This is apart from the normal class hours in the morning and the library hours in the afternoon. During the morning study hours the students come to their respective class rooms and spend it meaningfully. Rest of the study time is spent in the Library.

b) Library

Library is the heart and soul of seminary life. The students are provided with excellent opportunities to facilitate the maximum use of library. NLBS gives substantial care for the development and maintenance of library. We have a library with a collection of over 30,000 volumes and more than 30 national and international theological journals in addition to the secular magazines/weeklies. The library uses computerized Dewey Decimal cataloguing system. Our library maintains both Malayalam and English sections separately to assist the students of both the medium in their academic endeavor. Computer and internet facilities are made available the students whenever they are need of. We are also in the process of acquiring American Theological Library Association Serials (ATLA Serials online database). The NLBS is proud of having a group of well-qualified and experienced library staff.

3. Social Life

NLBS family consists of people from various cultures and backgrounds which make the life in the campus very much exciting. Students from elsewhere in India and abroad having diverse traditions, languages, customs and practices are assimilated unto our community with a common thrust and goal. This variety and diversity make the life in the campus a jubilant one. The students usually share moments of joy and happiness with one another.

Occasionally, an evening is set apart for the community to come together for fellowship and fun. Here students are availed opportunities to display their talents through various art forms. At this juncture, many of the theological issues debated in the class rooms are given visual portrayal by the students. Amidst hectic academic pressure and tension the students find it a time to relax, rejoice and renew their spirit and relationship. Social Evenings most often are followed by fellowship meals. At times the students are given ample opportunity to watch mission based and socially relevant movies and documentaries.

NLBS also gives importance to sports and recreation. Except on Wednesdays and Sundays, games are organized for students from 5:00 PM to 6:00 PM. The whole student body is divided into four different groups with four different names. These groups are primarily meant for facilitating the sports activities. NLBS Sports Day is a day the students look forward with enthusiasm. Various sports events are organized on this day.

Students' Seminary Fellowship (SSF) is the students' body which takes care of all cultural, social, recreational and spiritual activities related to the students. Annually the SSF organizes a Food-Fest and an Inter-Seminary game. It strives for an inter-seminary theological, ministerial interaction and fellowship.

4. Ministerial Life

The students are assigned to various types of ministries according to their talents and interests. Weekend outreach programs are of primary importance. 'Liberated to Liberate' is the motto of the Department of Practical Training. Church planting, community services, hospital visits, open-air meetings, mini conventions, house visit, film shows, etc., are the important scenarios for practical involvement.

During the weekends the students are encouraged to go in small groups and visit vicinities of different churches. Students here get enough opportunity to involve in Sunday Schools and church assistance in the nearby churches. This enriches the students in the ministerial formation. NLBS' alumni have been instrumental in establishing numerous churches.

II. NLBS Alumni Association

NLBS connects with the former graduates with NLBS Alumni Association and works with them in different chapters to have fellowship in sharing the gospel, charitable activities, family conference and so on. Every year we give Best Alumnus Awards for the alumni who are excelling in God's kingdom. Nearly 1,400 graduates serve as gospel preachers, evangelists, missionaries, pastors, teachers, writers and leaders of Christian organizations. We are glad to hear God's amazing work among our graduates.

III. New Life Publications

NLBS has a publication wing in which faculty, students and staffs utilize the opportunity to put their creative writing skills in published papers. Mainly we have *New Life Theological Journal (NLJ)*, *Puthujeevan* (Souvenir), and New Life publishing which produce books for theological community and common laity. Our publications impart sound theological and biblical reflections on the today's relevant issues. It fosters and promotes Christian knowledge on strong biblical foundations and academic competence.

IV. NLBS Special Awards

NLBS faculty unanimously select candidates who demonstrate excellence in various spheres of their life in the campus. The following are the awards distributed at the time of graduation:

- a. Best in Academics (M.Th M.Div, B.Th, English and Malayalam, Dip. Th)

The students who do not have the minimum passing grade (C-) for each course will have to appear for Re-take examination, failing which necessitates re-doing the course by paying a fine of certain amount as fixed by the Academic Committee.

Academic Evaluation

In all courses, grades are awarded on the basis of continuous evaluation. Teachers have the freedom to devise their own method of assessments if necessary. However, there are specific numbers of assignments as stipulated by the Academic Committee.

Plagiarism

Plagiarism includes the copying of the language, structure, ideas, and/or thoughts of another and passing off the same as one's own, original work. Therefore if a student has consulted any outside source, whether published or not, and has incorporated any of its "language, structure, ideas, and/or thoughts" into his or her work without acknowledging that source, he or she may be guilty of misrepresenting the work's originality. From the Christian point of view it is **SIN**. Under the Indian Copyright Act 1957 it is a punishable offense. NLBS would seriously penalize such offences.

I. RESIDENTIAL PROGRAMMES

1. MASTER OF THEOLOGY (M.Th.)

The purpose of M. Th. degree program is to train committed candidates to become theological trainers and educators. The program aims to facilitate qualified graduates in theology to broaden and deepen their theological knowledge and to sharpen their research skills and competence. This is a two-year residential program. It is achieved by doing a limited number of courses in areas of their discipline and by writing a thesis at an advanced level in the field of specialization. Thus, a student who completes M.Th with a first class or high second class will be eligible to pursue a doctoral program directly. All the requirements should be completed in English language. We aim to enlarge the program with many more theological disciplines incorporated into it. Currently we offer M. Th. in Missiology and in History of Christianity.

Goals

- To enable the candidates to trace the original concepts and practices of mission in the Bible with special reference to the Indian context.
- To facilitate the candidates to understand the Missiological significance of the various ministries of the church in the pluralistic context of India to develop an Indian Missiology.

Admission Requirements

- Successful completion of a Master of Divinity degree or its equivalent from a recognized college with a B+ grade or a high second division.
- The Candidate should have a minimum of two years of practical ministry experience. (Preference will be given to those in the theological training)
- The candidate should have a minimum English proficiency for academic level writings.
- The candidate is expected to have completed the preliminary courses in the Biblical languages with one advanced course either in Hebrew or in Greek and at least three courses in the field of specialization.
- The candidate should clear entrance examinations, and appear for personal interviews, which will be held at the campus. The examinations will be for **English, General Knowledge, Christian Faith, and Departmental exam.**
- The candidate must have completed 25 years at the time of admission.

Program Duration and Residency

The M.Th is a two year residential program. This period may be extended in relation to the course requirements. Any exception to this rule should have the prior permission from the Academic Committee of NLBS. The failure to meet the requirement may cause the termination of candidates. The maximum time limit for completing all requirements shall be five years from the date of

registration. The academic session in every year begins in April and ends in March. The course is intensive and focused. Therefore, the students are strictly prohibited from taking any responsibility of the church or other organization during the residency period. Off-campus candidates are not allowed since it is exclusively designed as a residential program. The accommodation for families at NLBS is limited to two years only.

Academic Requirements

- The candidate should complete a total number of 40 credits from 7 various areas for the fulfillment of the course. One credit demands 105 working hours.
- The candidate is required to have 90% of attendance for each subject. Failing of which may lead to debarment from the examination.
- The candidate must fulfill all the academic requirements.

Thesis

- Thesis is mandatory. It carries twelve (12) credits. Length of the thesis should be approximately 30000 words.
- The candidate should submit a thesis proposal to the Dean of Post Graduate studies at the end of the second Semester in the first year. The M.Th Academic Committee will approve the proposal.
- Thesis should be the original work of the candidate and should be thoroughly proof read and without errors.
- The thesis is to be successfully defended in the viva voce.
- The Candidate should submit three copies of the thesis to the Dean of Post Graduate studies.
- College will arrange a thesis mentor and two external readers to facilitate the students. They will evaluate the thesis and the final grade will be the aggregate of all.
